## A GODLY CHURCH MOTHER

Godly mothers are first Godly women. They are not one way at home and another way in public. She presents herself honorably. She develops her gifts through the directives of God's Holy Word and uses them to benefit her family, church and her community. She is one of a kind, both wise and humble, strong and gentle, diligent and dedicated, acquiring favor from the Lord. She is quick to share the wisdom she has gained to encourage others to reach their potential. She is wise to the ways of the world, but lives by the Wisdom of God. A godly mother acts and dresses modestly. She models proper, God-honoring behavior to her children. Motherhood is not a chore or unpleasant task. Just as a mother bears a child during pregnancy, and just as a mother feeds and cares for a child during infancy, so mothers also play an ongoing role in the lives of their children, whether they are adolescents, teenagers, young adults, or even adults with children of their own. A Godly Mother, cares for her children, nurtures them, affectionately embraces them, meeting their needs, and tenderly recognizes each one as a Unique Gift from the Hand of God. She reminds her children that they were created for God, and serving Him is their highest calling. A Godly mother wants her children to be Godly, as she leads the way. She lives what she says. She is a Godly role model from which others can learn, catch" the essence of Godly Living. She teaches the fear, the reverence of the Lord, drawing a clear cut distinction between what is holy and unholy, between what is clean and unclean, between what is of God and what is of the devil. Her Godly wisdom enables her to teach and raise up the children in the admonition of the Lord while she is yet a God-Ordained blessing and powerful support to her husband.

So the first step in becoming a Church Mother is surrendering to the Lordship of Jesus. Just like a mother in the family home, a Church Mother may encourage the youth in her church and share her wisdom to help guide their way through life. Even while sitting in the congregation, a Church Mother displays the dynamic nature of her faith in and love for God with lively singing, prayer, praise and hearty "Amen!" Church Mothers often lead from the pew so others will follow in their fervent love and dedication to God. Church Mothers also refrain from gossiping and idleness and aspire to be Christ-like in character, actions and attitudes in all circumstances. They model and teach acceptable behavior, as they live a life above reproach. Church mothers help guide young women away from ungodly behaviors. She opens her mouth with wisdom and in her tongue is the law of kindness as she counsels and lovingly corrects based on the Word of God. She has a devout love for God and unconditional love for the people of God. The Church Mothers should be women who are Spirit-filled, Sound minded, Full of wisdom, Loving, Respected and Appreciated in their homes, churches, and communities; one who the pastor can trust to give guidance and be a godly example to the women and others in the Church.

In addition, Church Mothers may visit nursing homes, people who are sick and shut-in, spread the message of Christ as they lend a caring hand to the disadvantaged. Godly mothers see themselves as active participants in God's work; they don't try to gain attention or a sense of worth through dress or behavior or relational status. [First Peter 3:3-4](#) says, "Your beauty should not come from outward adornment, such as elaborate hairstyles and the wearing of gold jewelry or fine clothes. Rather, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight." The [Proverbs 31](#) woman is a picture of a Godly Mother. Although she lovingly cares for her children and husband, she does it well because she loves God with all that is within her. A Godly Mother has learned to see herself as God sees her, a Virtuous Woman whose price is far above rubies. The value of her life is far beyond rubies! The value of her worth is beyond monetary calculations! She is a rare treasure! She is a blessed gift from God! She is one of a kind! She is God's Masterpiece created by God's own Mighty Magnificent Hands!
